	§	

**DECLARATION OF RAY C. SCHROCK AND
DISCLOSURE STATEMENT OF LATHAM & WATKINS LLP**

I, Ray C. Schrock, declare as follows:

1. I am a partner in the law firm of Latham & Watkins LLP (“**L&W**”), an international law firm with offices across the United States, Europe, and Asia. I am admitted in, practicing in, and a member in good standing of the state bars of New York and Illinois, and there are no disciplinary proceedings pending against me. I am over the age of eighteen, am authorized to submit this Declaration, and am competent to testify on the matters contained herein.

2. I submit this Declaration in connection with the *Debtors’ Application for Entry of an Order Authorizing the Employment and Retention of Latham & Watkins LLP as Co-Counsel for the Debtors Effective as of December 2, 2024* (the “**Application**”),² by which the above-captioned debtors and debtors-in-possession (together, the “**Debtors**”) seek authority to employ and retain L&W as co-counsel effective as of December 2, 2024.

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://restructuring.ra.kroll.com/Steward> (the “**Case Website**”). The location of the Debtors’ corporate headquarters and service address for purposes of these chapter 11 cases is: 1900 N. Pearl Street, Suite 2400, Dallas, Texas 75201.

² Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Application.

3. Except as otherwise indicated, all facts set forth in this Declaration are based upon my personal knowledge, information supplied to me by other L&W professionals or paraprofessionals, or learned from my review of relevant documents. To the extent any information disclosed herein requires amendment or modification as additional information becomes available to L&W, a supplemental declaration will be submitted to this Court reflecting such amended or modified information.

L&W'S QUALIFICATIONS

4. As discussed in the Application, I, along with my partner Candace M. Arthur, served as key restructuring professionals representing the Debtors since January 2024 while we were partners at Weil, Gotshal & Manges LLP ("**Weil**"). Ms. Arthur and I are now practicing at L&W, and the Debtors desire our continued legal services. Through our prior representation of the Debtors, we have developed extensive institutional knowledge and familiarity with the Debtors' business, debt structure, and many other issues that are relevant to the Chapter 11 Cases, particularly in connection with the chapter 11 plan related negotiations that are already underway. Importantly, we were at the forefront of the extensive and significant stakeholder negotiations and resolutions that took place during the first seven months of the Chapter 11 Cases that will undoubtedly play a pivotal role in continued chapter 11 plan related discussions. Additionally, my extensive discussions among the Debtors, Weil and other relevant stakeholders, including advisors to the FILO DIP Lenders and the Creditors' Committee, to address the remaining complex issues involved in the Chapter 11 Cases, underscore that it is critical that these cases are not derailed and that recoveries are maximized for the benefit of the Debtors' estates and creditors. L&W will closely coordinate with Weil to represent the Debtors and avoid any duplication of efforts. By

doing so, the Debtors and I are confident that this solution will best serve the estates and be the most efficient outcome for all parties.

5. L&W's retention is in furtherance of continued efforts to maximize value for stakeholders with minimal disruption. Moreover, engaging L&W as co-counsel to Weil provides the Debtors with the added value of L&W's well-qualified professionals and resources. As described more fully in the Application, L&W has recognized expertise and extensive experience and knowledge practicing before bankruptcy courts in large and complex chapter 11 cases. Accordingly, for the reasons set forth herein and in the Application, I believe L&W is both well-qualified and uniquely able to represent the Debtors in the Chapter 11 Cases, and such representation is critical to the Debtors' ability to progress the Chapter 11 Cases for the benefit of their estates and stakeholders.

L&W'S COMPENSATION

6. L&W intends to apply to the Court for allowance of compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, the Bankruptcy Local Rules, and any procedures and orders of the Court.

7. L&W operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance, and reputation, the nature of the work involved, and other factors. As of the date hereof, L&W's current hourly rates for matters related to the Chapter 11 Cases range as follows:

Billing Category	Range
Partners	\$1,680 to \$2,650
Counsel	\$1,595 to \$2,070
Associates	\$835 to \$1,635
Professional Staff	\$255 to \$980
Paralegals	\$355 to \$755

8. L&W's hourly rates are designed to compensate L&W fairly for the work of its attorneys and paralegals and to cover fixed and routine overhead expenses. Hourly rates vary with the experience and seniority of the individuals assigned and are subject to periodic adjustments to reflect economic and other conditions (which adjustments will be reflected in the first L&W fee application following such adjustments).³

9. As agreed by the Debtors and L&W, and consistent with L&W's policy with respect to its other clients, L&W will continue to charge the Debtors for all services provided and charges and disbursements incurred in the rendition of services. It is L&W's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also L&W's policy to charge its clients only the amount actually incurred by L&W in connection with such items. These charges and disbursements include (without limitation) costs for photocopying, electronic data management services, including scanning and document imaging, travel, travel-related expenses, business meals, computerized research, messengers, couriers, postage, witness fees, and other fees related to trials and hearings. L&W professionals also may charge their overtime meals and overtime transportation to the Debtors, and L&W will also charge for overtime secretarial charges that arise out of business necessity.

³ L&W's billing rates are usually revised annually, on or around January 1 of each year, as is customary with L&W's policies. Accordingly, L&W's billing rates recently increased on January 1, 2025.

10. No promises have been received by L&W, or any partner, counsel, or associate thereof, as to payment or compensation in connection with the Chapter 11 Cases other than in accordance with the applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules. Except for sharing arrangements among L&W, its affiliated law practice entities, and their respective members, in accordance with sections 329 and 504 of the Bankruptcy Code and Bankruptcy Rule 2016(b), L&W has not entered into any agreements, express or implied, with any other party in interest, including the Debtors, any creditor, or any attorney for such party in interest in the Chapter 11 Cases for (a) the purpose of sharing or fixing fees or other compensation to be paid to any such party in interest or its attorneys for services rendered in connection therewith; (b) payment of such compensation from the assets of the estates in excess of the compensation allowed by this Court pursuant to the applicable provisions of the Bankruptcy Code; or (c) payment of compensation in connection with the Chapter 11 Cases other than in accordance with the applicable provisions of the Bankruptcy Code.

STATEMENT PURSUANT TO THE U.S. TRUSTEE GUIDELINES

11. The following is provided in response to the request for additional information set forth in Paragraph D.1 of *Appendix B – Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective as of November 1, 2013, issued by the Executive Office of the United States Trustee (the “**U.S. Trustee Guidelines**”):

- a. **Question:** Did L&W agree to any variations from, or alternatives to, L&W’s standard billing arrangements for this engagement?

Answer: No. L&W and the Debtors have not agreed to any variations from, or alternatives to, L&W’s standard billing arrangements for this engagement. The rate structure provided by L&W is appropriate and comparable to (a) the rates that L&W charges for non-bankruptcy representations or (b) the rates of other comparably skilled professionals.

- b. **Question:** Do any of the L&W professionals in this engagement vary their rate based on the geographic location of the Debtors' chapter 11 cases?

Answer: No.

- c. **Question:** If L&W has represented the Debtors in the 12 months prepetition, disclose L&W's billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If L&W's billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Answer: L&W did not represent the Debtors prepetition. L&W's current hourly rates for services rendered on behalf of the Debtors are set forth above. These rates have been used since January 1, 2025. During the prior calendar year, L&W used the following rates for services rendered on behalf of the Debtors: \$1,495 to \$2,550 for partners; \$1,430 to \$1,860 for counsel; \$760 to \$1,505 for associates; \$230 to \$1,130 for professional staff; and \$325 to \$710 for paralegals.

- d. **Question:** Have the Debtors approved L&W's budget and staffing plan and, if so, for what budget period?

Answer: Yes, in connection with the Application, L&W prepared a budget and staffing plan for the period from December 2, 2024 through January 31, 2025 that was approved by the Debtors.

L&W'S DISINTERESTEDNESS

12. L&W has received a retainer from the Debtors in the amount of \$200,000 for services to be performed and expenses to be incurred. L&W intends to hold the retainer on account of services rendered and expenses incurred from and after December 2, 2024. L&W has not otherwise received any compensation from the Debtors prior to the date of this Application.

L&W'S DISINTERESTEDNESS

13. In preparing this Declaration, L&W used a set of procedures to ensure compliance with the requirements of the Bankruptcy Code, the Bankruptcy Rules, and the Bankruptcy Local Rules regarding the retention of professionals by a debtor under the Bankruptcy Code (the "**Firm Disclosure Procedures**"). Pursuant to the Firm Disclosure Procedures, I performed, or caused to

be performed, the following actions to identify the parties relevant to this Declaration and to ascertain L&W's connection to such parties:

- a. L&W obtained from the Debtors a list of names of entities that are or may be parties in interest in the Chapter 11 Cases (the “**Potential Parties in Interest**”), as set forth on Appendix 1 hereto.⁴ The information listed on Appendix 1 may have changed without my knowledge and may change during the pendency of the Chapter 11 Cases. L&W will update this Declaration, as described below, when L&W becomes aware of new material information.⁵
- b. L&W maintains a master client database as part of its conflict clearance and billing records. The master client database includes the names of the entities for which any attorney time charges have been billed since the database was first created (the “**Client Database**”). The Client Database includes the names of all current and former clients, the names of the parties who are or were related or adverse to such current and former clients, and the names of the L&W personnel who are or were responsible for current or former matters for such clients. L&W policy is that no new matter may be accepted or opened within L&W without completing and submitting to those charged with maintaining the conflict clearance system the information necessary to check each such matter for conflicts, including the identity of the prospective client, the name of the matter, adverse parties, and, in some cases, parties related to the client or to an adverse party. Accordingly, the database is updated for every new matter undertaken by L&W. The accuracy of the system is a function of the completeness and accuracy of the information submitted by the attorney opening a new matter.
- c. L&W compared the names of each of the Potential Parties in Interest to client matters in the Client Database for which professional time was recorded during the three years prior to December 2, 2024, and compiled a list of any matches generated by the comparison (the “**Client Match List**”). The Client Match List is set forth on Appendix 2 hereto.⁶

⁴ The entities included on the list of Potential Parties in Interest (and the categories contained therein) were provided by the Debtors to L&W for purposes of a conflict check only and should not be relied upon by any party as a list of creditors or for any other purpose.

⁵ For competitive sensitivity reasons, the Potential Parties in Interest does not disclose potential sale transaction counterparties. The Debtors will make the names of these parties available to the U.S. Trustee on a confidential basis upon request.

⁶ As referenced in Appendix 2, the term “**Current Client**” refers to an entity listed as a client in L&W's Client Database for whom time has been recorded in the past 12 months and L&W has at least one open matter. The term “**Former Client**” refers to an entity listed as a client in L&W's Client Database for whom time has been recorded in the past three years. L&W does not disclose connections if time was recorded more than three years before December 2, 2024.

- d. Using information in the Client Database concerning entities on the Client Match List and making general and, if applicable, specific inquiries of L&W personnel, L&W verified that it does not represent and has not represented any entity on the Client Match List in connection with the Debtors or the Chapter 11 Cases, except as otherwise disclosed in this Declaration.
- e. In addition, a general inquiry was sent by email to all L&W attorneys to determine whether any such individuals or any members of their households (i) own or owned any debt or equity securities of the Debtors; (ii) hold or held any claim against or interest adverse to the Debtors; (iii) represent or represented a client in a matter adverse to the Debtors; (iv) are or were officers, directors, or employees of the Debtors; (v) are related to or have any connections to Bankruptcy Judges in the Southern District of Texas; or (vi) are related to or have any connections to anyone working in the Office of the United States Trustee for the Southern District of Texas (the “U.S. Trustee”).⁷

14. L&W compiled responses to the foregoing inquiries for the purpose of preparing this Declaration. Responses to the inquiry described in subparagraph (e) above indicate that, as of December 2, 2024, and except as described below, no L&W attorneys or members of their household:⁸ (a) own or owned any debt or equity securities of the Debtors; (b) hold or held any claim against or interest adverse to the Debtors; (c) represent or represented a client in a matter adverse to the Debtors; (d) are or were officers, directors, or employees of the Debtors; (e) are related to or have any connections to Bankruptcy Judges in the Southern District of Texas; or (f) are related to or have any connections to anyone working in the Office of the U.S. Trustee.

⁷ This inquiry clarified that while “connections” are not defined in the Bankruptcy Code or Bankruptcy Rules, the term should be viewed broadly and may include a wide range of relationships, including, but not limited to, romantic, intimate, sexual, or familial relationships, as well as business and professional relationships (e.g., clerkships, internships, other past or current employment or volunteer work, or business investments). Further, the inquiry requested that attorneys indicate any facts or circumstances that may give rise to an appearance of impropriety.

⁸ Certain L&W attorneys or members of the households of L&W attorneys may unknowingly hold interests in the Debtors in blind, discretionary accounts, exchange traded funds, or mutual funds. I am also informed that an associate in L&W’s Litigation and Trial department is the child of a former physician of Davis Hospital & Medical Center Limited Partnership who has filed certain proofs of claim in the Chapter 11 Cases related to his prior employment. Although I do not believe that this relationship precludes L&W from being a disinterested party under the Bankruptcy Code, I make this disclosure out of an abundance of caution.

15. Of the entities listed on Appendix 2, the only entity that represented more than 1.0% of L&W's total client billings for the twelve-month period ending December 2, 2024 (on a consolidated basis)⁹ is JPMorgan Chase Bank, N.A. ("**JPMorgan**"). JPMorgan, however, did not represent more than 2.0% of L&W's total client billings for such twelve-month period.

16. L&W will not represent the Debtors in an adversary proceeding commenced against any client of L&W unless L&W has an applicable waiver on file or first receives a waiver from such entity allowing L&W to commence such an action. To the extent that a waiver does not exist or is not obtained from such entity and it is necessary for the Debtors to commence an adversary proceeding against that entity, the Debtors will employ Weil or retain separate conflicts counsel to represent them in that particular matter. In addition, except as otherwise described herein, L&W will not represent any client on any matter adverse to the Debtors or their estates while retained as the Debtors' co-counsel in the Chapter 11 Cases.

17. L&W will periodically review its files during the pendency of the Chapter 11 Cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any relevant facts or relationships are discovered or arise, L&W will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration as required by Bankruptcy Rule 2014(a). In that regard, L&W intends to disclose clients in the capacity that they first appear in a conflicts search. For example, if a client has already been disclosed in this Declaration in one capacity (*e.g.*, a bank), and the client appears in a subsequent conflicts search in a different capacity (*e.g.*, a bondholder), then L&W does not intend to disclose the same client again in supplemental declarations, unless the circumstances are such in the latter capacity that additional disclosure is required.

⁹ According to L&W's records as of December 23, 2024.

18. Except as set forth herein, and based upon the information available to me, neither I, nor L&W, nor any partner or associate thereof, insofar as I have been able to ascertain, holds or represents any interest adverse to the Debtors or their estates. Based on the inquiries made in connection with preparing this Declaration and to the best of my knowledge, I believe that: (a) L&W is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code; and (b) L&W has no connection to the Debtors, their creditors, or their related parties except as may be disclosed in this Declaration (as supplemented from time-to-time). The proposed engagement of L&W is not prohibited by or improper under Bankruptcy Rule 5002(a).

SPECIFIC DISCLOSURES

19. As set forth below and in Appendix 2, L&W represents or has represented certain of the Debtors’ creditors, equity security holders, professionals, or other Potential Parties in Interest in matters unrelated to the Debtors and the Chapter 11 Cases. Except as specifically set forth below, none of the representations described herein is adverse to the interests of the Debtors or their estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, L&W is not disqualified from acting as the Debtors’ co-counsel merely because it represents or has represented the Debtors’ creditors, equity security holders, professionals, or other Potential Parties in Interest in matters unrelated to the Debtors or the Chapter 11 Cases. I do not believe that L&W’s current and prior representations described herein preclude L&W from being a disinterested party under the Bankruptcy Code.

Representations Adverse to the Debtors

20. L&W represents HaystackID LLC (“**HaystackID**”), an Ordinary Course Professional to the Debtors, in connection with HaystackID’s provision of services to certain Debtor entities in matters wholly unrelated to the Chapter 11 Cases. L&W immediately disclosed

its representation of HaystackID to the Debtors. Additionally, (a) the Debtors and HaystackID have agreed in writing to waive any actual or potential conflict of interest that could arise in connection with L&W's simultaneous representation of HaystackID and the Debtors; and (b) L&W has established an internal ethical wall between the attorneys and staff working on the Chapter 11 Cases and the attorneys and staff working on HaystackID's matters with respect to the Debtors to ensure that the matters remain separate. In the event that the Debtors and HaystackID become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

21. L&W represents Armin Ernst ("**Dr. Ernst**"), the Chief Executive Officer of Steward Health Care Malta, in connection with certain investigations occurring outside of the Chapter 11 Cases. L&W's representation in these matters is wholly unrelated to the Chapter 11 Cases. L&W immediately disclosed its representation of Dr. Ernst to the Debtors. Additionally, (a) the Debtors agreed in writing to waive any actual or potential conflict of interest that could arise in connection with L&W's simultaneous representation of Dr. Ernst and the Debtors; (b) the Debtors are employing Weil to handle the aforementioned matters for the Debtors with respect to Dr. Ernst; and (c) L&W has established an internal ethical wall between the attorneys and staff working on the Chapter 11 Cases and the attorneys and staff working on Dr. Ernst's matters with respect to the Debtors to ensure that the matters remain separate. Further, I understand that Dr. Ernst is in the process of engaging separate counsel to represent him in the above-mentioned investigations for reasons wholly unrelated to Ms. Arthur and I joining L&W. In the event that the Debtors and Dr. Ernst become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

22. L&W previously represented an affiliate of Apollo Global Management (“**Apollo**”), ACREFI CS U, LLC, in connection with these Chapter 11 Cases. Specifically, L&W represented Apollo in its capacity as secured lender to Medical Properties Trust for multiple properties that were previously leased by the Debtors under a certain master lease agreement (“**Master Lease 2**”). Apollo’s relationship to the Debtors’ landlord and certain assets of the Debtors sold during the Chapter 11 Cases required Apollo’s involvement in the Chapter 11 Cases. Before L&W commenced representation of the Debtors on December 2, 2024, the Debtors rejected Master Lease 2 and no longer held interests in properties involving Apollo. Further, proceeds from the sales of the underlying non-Debtor real estate were disbursed to Apollo. L&W continues to represent Apollo and its affiliates in a number of matters wholly unrelated to these Chapter 11 Cases, and I do not expect Apollo to have any further significant involvement in these Chapter 11 Cases. I do not believe that L&W’s past or current representation of Apollo results in L&W holding or representing any interest adverse to the Debtors’ estates or otherwise precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and Apollo become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

23. L&W previously represented Health Catalyst Inc. (“**Health Catalyst**”), a contract counterparty of the Debtors, in connection with these Chapter 11 Cases. Specifically, L&W provided general advice to Health Catalyst regarding the Chapter 11 Cases and its contracts with the Debtors (the “**Health Catalyst Contracts**”). Before the Retention Date, the Debtors assumed and assigned their interests in the Health Catalyst Contracts to Brady Health Buyer, LLC in connection with its purchase of certain Stewardship Health assets that was approved by this Court on August 22, 2024 (Docket No. 2135). L&W continues to represent Health Catalyst and its

affiliates in a number of matters wholly unrelated to these Chapter 11 Cases. I do not believe that L&W's past or current representation of Health Catalyst precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and Health Catalyst become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

24. L&W previously provided limited general advice to Treace Medical Concepts, Inc. ("**Treace Medical**"), a vendor to certain Debtors, in connection with these Chapter 11 Cases. Before L&W commenced representation of the Debtors, Treace Medical engaged separate counsel to represent it in connection with the Chapter 11 Cases. L&W continues to represent Treace Medical and its affiliates in a number of matters wholly unrelated to these Chapter 11 Cases. I do not believe that L&W's past or current representation of Treace Medical precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and Treace Medical become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

25. Other than the matters described above, L&W has not represented any party in connection with any matter adverse to the Debtors or related to the Chapter 11 Cases, and L&W will not represent any party in any such other matter while retained as the Debtors' co- counsel.¹⁰ I do not believe that L&W's past or current representations preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any of L&W's

¹⁰ Ms. Arthur and I joined L&W on the Retention Date. Before December 2, 2024, Weil advised SHC and its wholly owned subsidiaries, including Tailored Risk Assurance Company, Ltd. and TRACO International Group S. De R.L. (together, "**TRACO**"), on matters related to the Chapter 11 Cases. Under applicable ethics rules, TRACO has the status of a former client of Weil as of August 13, 2024, and TRACO has retained its own counsel, Steptoe LLP (*see, e.g.*, Docket Nos. 2567 and 2765). L&W is not engaged to and shall not represent TRACO in these Chapter 11 Cases. Although I do not believe that this past representation precludes L&W from being a disinterested party under the Bankruptcy Code, out of an abundance of caution, L&W has also requested applicable waivers and consent from TRACO for its retention by the Debtors in matters adverse to TRACO.

clients become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Joint Venture Counterparties and Significant Equity Holders

26. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors' joint venture counterparties, significant holders of the Debtors' equity, and/or their affiliates. Specifically, L&W currently represents, or in the past has represented Christus Health Southeast Texas, Louisiana Healthcare Group, LLC, Louisiana Hospice & Palliative Care, LLC, Physicians Health Choice, LLC, St. Francis Medical Center, Inc., Steward Healthcare Investors LLC, and/or certain of their affiliates (collectively, the "**Joint Venture Counterparties and Equity Holders**") in a number of different matters unrelated to the Debtors and the Chapter 11 Cases.

27. L&W has not represented the Joint Venture Counterparties and Equity Holders in connection with any matter related to the Debtors or the Chapter 11 Cases, and L&W will not represent the Joint Venture Counterparties and Equity Holders in any such matter while retained as the Debtors' co-counsel. I do not believe that L&W's past or current representation of the Joint Venture Counterparties and Equity Holders precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any Joint Venture Counterparties and Equity Holders become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Lenders, Agents, and Other Secured Parties

28. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors' lenders, agents, other secured parties, and/or their affiliates. Specifically, L&W currently represents or in the past has represented Brigade Capital Management, Oaktree

Capital Management, Owl Creek Asset Management, MidOcean Partners, Sound Point Capital Management, and/or certain of their affiliates (collectively, the “**Lenders and Secured Parties**”) in a number of different matters unrelated to the Debtors and the Chapter 11 Cases.

29. L&W has not represented the Lenders and Secured Parties in connection with any matter related to the Debtors or the Chapter 11 Cases, and L&W will not represent the Lenders and Secured Parties in any such matter while retained as the Debtors’ co-counsel. I do not believe that L&W’s past or current representation of the Lenders and Secured Parties precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any of the Lenders and Secured Parties become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Debtors’ Banks

30. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors’ and/or their affiliates’ cash management banks and/or such banks’ affiliates. Specifically, L&W currently represents or in the past has represented Bank of America, N.A., Citibank Global Markets Inc., First Republic, JPMorgan Chase Bank, N.A., U.S. Bancorp, Wells Fargo Bank, N.A., and/or certain of their affiliates (collectively, the “**Banks**”) in a number of different matters unrelated to the Debtors and the Chapter 11 Cases.

31. L&W has not represented the Banks in connection with any matter related to the Debtors or the Chapter 11 Cases, and L&W will not represent the Banks in any such matter while retained as the Debtors’ co-counsel. I do not believe that L&W’s past or current representation of the Banks precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any of the Banks become directly adverse to one another in an adversary

proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Connections to Officers and Directors

32. L&W currently represents or formerly represented certain affiliates, subsidiaries, and/or entities associated with the Debtors' current and recent former officers and directors. I do not believe that L&W's past or current representation of the affiliates, subsidiaries, and entities associated with certain officers and directors precludes L&W from meeting the disinterestedness standard under the Bankruptcy Code.¹¹

Relationships with Insurance Providers

33. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors' insurance providers, and/or their affiliates in a number of different matters unrelated to the Debtors or the Chapter 11 Cases. I do not believe that L&W's past or current representations described in this paragraph preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any such insurance provider become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Taxing and Regulatory Authorities

34. As disclosed in Appendix 2, L&W currently represents or formerly represented certain taxing authorities, regulatory authorities, and/or certain of their affiliates. I do not believe that L&W's past or current representations described in this paragraph preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any such taxing

¹¹ I am informed that an associate in L&W's Corporate department is the child of a member of the Board of SHC Holdings and such Board member holds equity interests in SHC. Although I do not believe that this relationship precludes L&W from being a disinterested party under the Bankruptcy Code, I make this disclosure out of an abundance of caution.

authorities or regulatory authorities become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Parties to Pending Litigation

35. As disclosed in Appendix 2, L&W currently represents or formerly represented certain counterparties to pending litigation with the Debtors, and/or affiliates of such counterparties, in a number of different matters unrelated to the Debtors or the Chapter 11 Cases. I do not believe that L&W's past or current representations described in this paragraph preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any such counterparty to pending litigation with the Debtors become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Significant Creditors

36. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors' significant prepetition creditors in a number of different matters unrelated to the Debtors or the Chapter 11 Cases. I do not believe that L&W's past or current representations described in this paragraph preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any such significant creditors become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships to Other Parties in Interest

37. Certain of the parties in interest in the Chapter 11 Cases may be, or previously may have been, members of ad hoc or official creditors' committees represented by L&W in matters

unrelated to the Chapter 11 Cases. In such instances, L&W represented only the committee or group, and did not represent the creditors in their individual capacities, and no attorney client relationship exists or existed between L&W and such parties in interest unless specifically noted. L&W does not and will not represent any of these parties in connection with the Chapter 11 Cases.

38. L&W may have represented, and may currently represent, entities that hold or may in the future hold certain of the Debtors' debt in beneficial accounts on behalf of unidentified parties. Because distressed debt is actively traded in commercial markets, L&W may be unaware of the actual holder of such debt at any given moment. L&W also represents numerous entities in unrelated matters that may buy and/or sell distressed debt, claims, or equity interests of chapter 11 debtors. Moreover, from time to time, L&W is engaged by various entities that buy and/or sell distressed debt to analyze the capital structure of a distressed company based on a review of publicly available information. L&W does not undertake such reviews after it has been engaged to represent any such company, including the Debtors, and does not view any public debt review as an adverse representation to the Debtors. Similarly, as a large, international firm, L&W may represent creditors and/or investors of or parties interested in investing in one or more parties in interest in these cases. L&W does not believe these relationships represent interests adverse to the estate.

39. Certain of the Debtors and their non-debtor affiliates or other entities associated with the Debtors may be creditors of entities that L&W currently represents or has represented in bankruptcy proceedings or post-effective date claims processes. Similarly, certain parties in interest in the Chapter 11 Cases may be current or former L&W restructuring clients. L&W will not represent the Debtors, the Debtors' non-debtor affiliates, or other entities associated with the Debtors in any matter related to other L&W clients' bankruptcy proceedings. Nor will L&W

represent any of its other restructuring clients against the Debtors in any of its other clients' restructuring matters. L&W's other chapter 11 representations are unrelated to the Chapter 11 Cases and the Debtors. I do not believe these representations preclude L&W from meeting the disinterestedness standard under the Bankruptcy Code.

40. L&W has represented, and may currently represent, entities that have submitted to the Debtors or their advisors indications of interest or bids, or otherwise participated in the Debtors' pre- and postpetition marketing and sale processes. Because of the confidential nature of such participation, the applicable entities are not identified on Appendix 2. L&W does not, however, represent any such entities in any matters related to the Debtors, their affiliates, these Chapter 11 Cases, or a sale of any of the Debtors' assets. Nor do the fees generated from L&W's representation of any such entities exceed 1.0% of L&W's total client billings for the twelve-month period ending December 2, 2024. Upon request of the Court or the U.S. Trustee, L&W will provide to such parties the names of such entities and disclose the nature of L&W's connection therewith, in the same manner and form as the identifications and disclosures contained in Appendix 2, on a confidential basis.

41. Additionally, as disclosed in Appendix 2, L&W currently represents or formerly represented certain other parties related to the Debtors' business or industry, in a number of different matters unrelated to the Debtors or the Chapter 11 Cases. I do not believe that L&W's past or current representations described in this paragraph preclude L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any such other parties become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

Relationships with Other Professionals

42. From time to time, L&W has referred work to other professionals to be retained in the Chapter 11 Cases, and certain such professionals have referred work to L&W. Also, as part of its practice, L&W appears in cases, proceedings, and transactions involving many different attorneys, accountants, financial consultants, and investment bankers, some of whom now or may in the future represent claimants and other parties in interest in these cases. L&W has not represented, and will not represent, any such parties in relation to the Debtors or their Chapter 11 Cases. L&W does not have any relationship with any such attorneys, accountants, financial consultants, or investment bankers that would be adverse to the Debtors or their estates.

43. As disclosed in Appendix 2, L&W currently represents or formerly represented certain of the Debtors' other professionals and professionals for lenders, trustees, agents, and other secured parties in a number of different matters unrelated to the Debtors and the Chapter 11 Cases (except as may otherwise be disclosed herein). I do not believe that L&W's past or current representations of these other retained professionals in matters unrelated to the Debtors or the Chapter 11 Cases precludes L&W from being a disinterested party under the Bankruptcy Code. In the event that the Debtors and any of the applicable professionals become directly adverse to one another in an adversary proceeding in the Chapter 11 Cases, the Debtors will employ Weil or other conflicts counsel to handle the matter as necessary.

**L&W Attorney Connections with the Office of the
United States Trustee for Region 7 and Judges for the United States
Bankruptcy Court for the Southern District of Texas (and Key Staff Members)**

44. Candace M. Arthur, Alexander Welch, and I joined L&W from Weil on December 2, 2024. Effective August 14, 2019, United States Bankruptcy Judge Christopher M. Lopez was appointed to the United States Bankruptcy Court for the Southern District of Texas. Prior to such appointment, Judge Lopez was employed by and held a counsel position at Weil. Additionally,

effective July 16, 2024, United States Bankruptcy Judge Alfredo R. Perez was appointed to the United States Bankruptcy Court for the Southern District of Texas. Prior to such appointment, until his retirement from Weil on December 31, 2023, Judge Perez was employed by and a member of the partnership at Weil.

45. Certain L&W attorneys (including the foregoing individuals) and/or personnel (or members of their immediate families): (a) previously worked at other law firms, including, without limitation, Weil, in government services or for other employers; (b) have participated and may participate in legal activities; (c) had and have affiliations through law school, conferences, bar, employment, or other organizations; and/or (d) may have social interactions or friendships, in each case, involving (x) Judges and/or key staff members of the United States Bankruptcy Court for the Southern District of Texas or (y) attorneys or key staff members of the Office of the United States Trustee for Region 7. As part of its standard hiring practices, from time to time, L&W conducts interviews and may make offers of employment to staff members of the United States Bankruptcy Court for the Southern District of Texas, including law clerks.

46. I do not believe that the foregoing connections preclude L&W from meeting the disinterestedness standard under the Bankruptcy Code.

L&W Attorney Investments

47. From time to time, L&W partners, counsel, associates, and employees, or members of the households of the foregoing, personally invest in mutual funds, exchange traded funds, retirement funds, private equity funds, venture capital funds, hedge funds, fund of funds, and other types of investment funds (the “**Investment Funds**”), through which such individuals indirectly acquire an interest in debt or equity securities of many companies, one of which may be one of the Debtors, their creditors, or other parties in interest in the Chapter 11 Cases, often without L&W’s

knowledge. Each such person generally owns substantially less than one percent of such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. The Investment Funds are generally operated as a blind pool, meaning that when such persons make an investment in an Investment Fund, he, she, or they do not know what securities the blind pool Investment Fund will purchase or sell and have no control over such purchases or sales.

48. From time to time one or more L&W partners voluntarily choose to form an entity (a "**Passive-Intermediary Entity**") to invest in one or more Investment Funds or, in certain instances, directly in private companies. Such Passive-Intermediary Entity is comprised only of persons who were L&W partners or retired partners at the time of the Passive-Intermediary Entity's formation (although some may later become former L&W partners), and participation in such a Passive-Intermediary Entity is wholly voluntary and only a portion of L&W's partners choose to participate. L&W itself does not invest in the Passive-Intermediary Entity. The Passive-Intermediary Entity generally owns substantially less than one percent of any underlying Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. Each Investment Fund in which a Passive-Intermediary Entity invests is operated as a blind pool, so that the Passive-Intermediary Entity does not know what securities the blind pool Investment Funds will purchase or sell, and has no control over such purchases or sales. The Passive-Intermediary Entities commonly receive periodic statements and communications from the underlying Investment Funds. The L&W partners participating in the Passive Intermediary may or may not know the identity of the Investment Fund's underlying investments or the identity of the securities purchased, sold, or held by the Investment Fund.

49. Certain of the Passive-Intermediary Entities may make a direct investment into a private company. It is my understanding that no Passive-Intermediary Entity has made any direct investment into the Debtors or otherwise purchased any debt or equity security of the Debtors. In addition, as discussed above, the Firm Disclosure Procedures involve sending a general inquiry to all L&W attorneys to determine whether any such individuals or any members of their households own or owned any debt or equity securities of the Debtors or hold or held any claim against or interest adverse to the Debtors, among other things. Thus far, no response to this general inquiry has disclosed the ownership of any debt or equity securities of the Debtors or the holding of any claim against or interest adverse to the Debtors.

50. From time to time, L&W partners, counsel, associates, and employees personally directly acquire a debt or equity security of a company, which may be (or become) one of the Debtors, their creditors, or other parties in interest in the Chapter 11 Cases. L&W has a long-standing policy prohibiting attorneys and employees from using material non-public information that may come to their attention in the course of their work, so that all L&W attorneys and employees are barred from trading in securities with respect to which they possess material non-public information.

OTHER INVESTIGATION AND DISCLOSURE MATTERS

51. L&W's investigation and research of the Potential Parties in Interest has thus far failed to eliminate the possibility that Potential Parties in Interest other than those listed on Appendix 2 hereto may be current or former clients of L&W because: (a) the names of the Potential Parties in Interest are similar to, but not identical to, current or former L&W clients; or (b) the names of the Potential Parties in Interest are common names that appeared on our conflict search results, but do not appear to be the same individuals or entities that are parties in interest herein.

52. Although L&W has undertaken, and continues to undertake, extensive efforts to identify connections with the Debtors and other Potential Parties in Interest, it is possible that connections with some Potential Parties in Interest have not yet been identified. Should L&W, through its continuing efforts, learn of any new connections of the nature discussed herein, L&W will so advise the Court in a timely manner as soon as reasonably practicable.

53. L&W will not, while employed by the Debtors, represent any other entity having an adverse interest to the Debtors with respect to matters upon which the Debtors seek to retain L&W during the pendency of the Chapter 11 Cases.

54. Insofar as I have been able to ascertain, I know of no conflict of interest that would preclude L&W's representation of the Debtors in the Chapter 11 Cases.

55. The foregoing constitutes the statement of L&W pursuant to sections 327(a), 329, and 504 of the Bankruptcy Code and Bankruptcy Rules 2014(a) and 2016(b).

Pursuant to 28 U.S.C. § 1746, to the best of my knowledge, information and belief, and after reasonable inquiry, I declare under penalty of perjury that the foregoing is true and correct.
